Request for Bids for Thermal and Moisture Protection and Joint Sealing at Arizona Stadium

Addendum #1

**Please mark all Bid submission
Files with the following information**

**Sealed RFB # S052201
Due on February 25, 2022 no later than 2:00 PM, MST**

This addendum is issued to answer questions asked at the pre-bid meeting and site visit and to provide additional clarifications. No written questions were received prior to the 2/17 deadline.

1. Electrical Outlets are available throughout the stadium but it's recommended you factor portable generators into your pricing.
2. Seating is to be removed by the successful contract. Seats may be stored throughout the stadium but not on the field.
3. All joint sealant is to be removed and replaced.
4. May 6th to May 13th is Spring Commencement. All seating must be in place and no work is to take place during this period.
5. Coating is to be applied both vertically and horizontally in the areas designated by this bid.
6. Vendor is responsible for painting the row numbers on the steps.
7. Seating brackets do not need to be painted.
8. Attached is the new pricing sheet with added items.
9. A copy of the sign is sheet is attached.

All else remains the same.
