Request for Proposals for Change Management Consulting

RFP L162302

ADDENDUM #1

RFP # L162302
Due 11/30/22 no later than 2:00 PM,
MST

We would like to clarify two sections of the RFP and its attachments:

- There was an error on Attachment A. The due date of Attachment A is **Tuesday, November 15, at 2:00 PM MST**
- The number of references requested in section 5.9 is incorrect.
 - The University is requesting a total of three (3) references

The following question was received. **University response in red.**

1. How many attendees should take part in the interview? **Vendor should include attendees that they believe are suitable for the interview; the University is not setting a limit on who or how many can attend from the vendor's team.**

End of addendum, all else remains the same.
