Files with the following information**

**Sealed RFP # L192328
Due on June 6, 2023 no later than 2:00 PM, MST**

The following questions were received prior to the close of the Technical Question period on May 23, 2023 at 12:00 PM MST:

1. Can you please direct us to the secure box to submit our proposal for the above-referenced request for proposal?

Submission Requirements and the Box link are in section 3.8 of the RFP.

2. If particular quantities are below our minimum run requirements, may we quote to print on our digital press?

Yes, though we will be posting a separate RFP for digital printing as well. Please provide your minimum run requirements in your bid.

3. Spec listed for casebound work states "cloth". Versa Press is seeing a huge shift to Rainbow paper for cost effectiveness. Is it acceptable to bid with Rainbow, as opposed to Arrestox cloth, for cost effectiveness?

Yes, Rainbow is actually preferred by the Press for its cost effectiveness and versatility. Please include in your bid if there are any Rainbow colors or embossings that are not regularly stocked.

End of addendum, all else remains the same.
