The following questions have been received:

1. Could you confirm the number of AAP locations The University has?

Six, though this number is subject to change on a yearly basis.

2. According to the Limiting Criteria in the RFP, Vendor must have at least one licensed attorney on staff to provide OFCCP legal advice under client attorney privilege. The question is although we have a licensed attorney on our Executive Leadership team, we do not provide advice under client attorney privilege, as we Affirmative Action Plans, we refer our clients to an external law firm partner for that privilege. Is that acceptable to satisfy these limiting criteria?

Your practice of referring clients to an external law firm partner for client attorney privilege does not satisfy the limiting criteria.

End of addendum, all else remains the same.
