The following questions were received prior to the technical question period close of March 26, 2025 at 12:00PM MST.

1. What is the expected start date for the contract and what ceremony (dates) would be the first to be serviced under the new contract?

UAGC can align with UA, but at a minimum, start date needs to be 7/1/25. First ceremony date: Virtual Fall 2025 (roughly October 2025) and In Person Spring 2026 (roughly May/June 2026). UA contract will need to be 7/1/25. The next graduation date is in December of 2025.

2. Can you please provide a copy of the official seal to be used on the mockups and samples of stoles and custom gowns?

Seals are attached for both organizations.

3. Item 5.11.1 states that the winning vendor must be willing to purchase the remaining campus store inventory from the current vendor. Approximately how much regalia will need to be purchased?

UAGC: We do not have the numbers on hand.

UA: The document with the on-hand quantities is attached. The number at the end of the fiscal year will be less due to ongoing graduation sales.

4. The RFP document references selling rings but does not ask for pricing on class rings. Is this something the University wishes to be included? If we should include a ring program, can you please provide details on how your ring program is managed today and any specific requirements?

The current ring program is managed by the vendor who sets the retail. It is a commission-based program.

5. Are the announcement specifications provided in the RFP flexible? Are vendors allowed to showcase other product recommendations in their response?

UAGC: Yes to both questions.

UA: specs for the announcement are not flexible and you can showcase other product recommendations.

6. What is the average number of faculty sets used per year for rentals at all locations?

An average of 40 per year for UAGC.

UA rents approximately 350 per year according to our data.

7. What is the average number of recycled gowns by degree level used per year and is this amount included in the estimated 8,150 Campus Store & 3,690 UAGC student retainable gown totals?

UAGC does not currently participate in recycled gowns.

UA has not been participating in a recycled program. We do not do rentals for students only retail sales. The only rental is for faculty.

8. In response to 5.11.1, Please provide quantities by product/degree of remaining inventory and estimated dollar value.

5.11 Existing Gown Inventory

5.11.1 Winning vendor must be willing to purchase remaining Campus Store inventory from current vendor before taking new business.

UAGC: We do not currently have this information.

UA: attached are the quantities currently on-hand. Sales will reduce this amount as we are preparing for graduation.

9. Are previous bid price tabulations available for review?

This can be requested through the University Public Records Office.

10. Who is your current graduation supplier?

Josten

11. For the UAGC Student Retainable Gowns, you mention all are custom. What custom features are you looking for?

Custom features include UAGC seal zipper pulls, UAGC tassels and gown colors aligning to our brand.

12. Do you require the financial considerations for both the Campus Store & UAGC listed separately or combined?

Combined.

13. What are the current bookstore margins for regalia, announcements, diploma frames and jewelry?

The Margins range between 50 to 60%

14. Is it your plan to award only one vendor this RFP, or are you interested in awarding multiple vendors for the different categories? For example: vendor A for the regalia and vendor B for the rings and announcements?

We are not interested in awarding multiple vendors.

The following 2 seals and regalia stock for the University of Arizona are incorporated into this addendum. All else remains the same.
