Section 1 – Introduction

1.1 Summary

The Arizona Board of Regents (ABOR), and Presidential Events and University Ceremonies on behalf of the University of Arizona, is soliciting proposals from qualified vendors to furnish the University with heavy duty rated flooring protection without damaging the underlying synthetic football field or similar surfaces.

1.2 Background & Special Circumstances

Founded in 1885, the University of Arizona (U of A) is a premier public, land-grant research university in Tucson, Arizona. Known as the state's oldest university, it was established before Arizona achieved statehood. The institution is recognized for high-impact research, including space exploration, tree-ring research, and two medical schools.

The University of Arizona's main campus covers approximately 380–400 acres in central Tucson. Founded in 1885, it was the first university in the Arizona Territory, with its first building, Old Main, completed in 1891 on a 40-acre plot. It has grown into a major research-focused, land-grant institution with over 200 buildings. The University of Arizona is also well-regarded for its top-rated financial aid and robust campus life, contributing to its designation as a "Best Value University" by The Princeton Review.

Presidential Events and University Ceremonies provides strategic guidance, event management, and protocol services for a complex schedule of high-level university-wide events and programs on behalf of the Office of the President. We plan events of all sizes and scale including the University's Main Commencement Ceremony, Arizona Board of Regents on-campus meetings, dignitary and VIP visits.

PE-UC sets the standard of excellence for university events and helps foster cohesive relationships with internal and external audiences through positive experiences and diplomacy. Additionally, we serve as the facilitator of the Event Resource Group, a campus collaborative of event planners who meet regularly to promote operational efficiencies and share industry knowledge among peers.
